2. WHAT TO DO WHEN YOU ARRIVE

STEP 1 – ARRIVAL & PARKING

📍 Address:
Horensbergdam
Damstraat 5
3600 Genk, Belgium

When you arrive at the Horensbergdam, simply follow the signs for the Jitsie Minitrial parking area, located on the left-hand side when entering the venue.

The entire Jitsie Minitrial area is separate from the motocross parking and track. This is done for an important reason: safety. We want to avoid motorcycles riding around between parked vehicles and families

STEP 2 – SIGN-ON AT THE JITSIE TENT

After parking, riders should come to the Jitsie tent to complete sign-on.

Entry fee: €10 per rider (💰 Cash and card payments accepted)

STEP 3 – TECHNICAL CONTROL

Once sign-on is completed, riders should proceed to the technical control with:

- ✅ their motorcycle (must meet basic safety requirements)
- ✅ A trials motorcycle helmet (ECE22.05 and ECE22.06 helmets accepted)
- ✅ A CE-certified back protector

Don't have the correct helmet or back protector? Jitsie will have spare helmets and protectors available at the event. We'll make sure everyone can ride safely.

After passing technical control, riders will receive their official rider bib, which must be worn during the Minitrial.

STEP 4 – RIDER BRIEFING & START

At the time indicated in the time schedule, riders and parents should attend the rider briefing.

After the briefing, riders will receive their scorecard and the Jitsie Minitrial can start.

3. VENUE RULES

To help us keep Horensbergdam safe, clean and available for future events, please respect the following rules:

- Environmental mat required under every motorcycle
- Slow speed in the parking area – both motorcycles and cars
- Only ride in the designated Minitrial area
- Keep the venue clean and leave no rubbish behind after the event
- Respect the Minitrial staff and volunteers
