

JITSIE MINITRIAL SERIES – PARTNER GUIDE

Thank you for supporting the Jitsie Minitrial series and helping us grow motorcycle trials for the next generation of riders.

The Jitsie Minitrial series is designed to create a positive, welcoming and family-friendly environment where young riders can learn, progress and enjoy the sport. We kindly ask all partners to contribute to this atmosphere by supporting riders, presenting products professionally and helping create a great experience throughout the series.

1. ARRIVAL & SETUP

Partners are kindly requested to arrive at least 1 hour before the first rider start to allow sufficient time for setup.

We will provide adequate space for each partner to create their own setup. Partners are responsible for bringing their own tent, tables, display materials and any required equipment or weather protection.

All setups should be completed before an event starts.

2. PRESENTATION

Partners are welcome to display motorcycles, bicycles, parts, apparel, accessories, technical products or any relevant items linked to the sport.

We kindly ask partners to maintain a clean, tidy and professional presentation throughout the event and to create an approachable, welcoming environment for riders and families.

The focus should be on supporting young riders, answering questions, providing advice and contributing positively to the atmosphere of each event.

3. VISIBILITY

Series partners will be recognised through dedicated signage in the sections and/or event area.

Partners are also welcome to provide goodies, gifts or small prizes for riders during sign-on and prize giving. This is entirely optional but highly appreciated and contributes to creating a memorable experience for young riders.

4. COMMUNICATION & LOGO USE

Partners are welcome to communicate their involvement in the Jitsie Minitrial series and may use the official Jitsie Minitrial logo for this purpose.

We kindly ask that any communication reflects the positive, welcoming and youth-focused spirit of the series.

5. SAFETY & CONDUCT

The Jitsie Minitrial series is first and foremost about rider enjoyment, progression and safety.

We kindly ask all partners to respect the event schedule, maintain a safe setup area and contribute to a positive atmosphere for riders, families, volunteers and organisers.

END.
